

## Wayne Eldridge, DVM

Dr. Wayne Eldridge earned his undergraduate degree from Texas A&M University and Doctor of Veterinary Medicine from A&M in 1971. After graduation he served in the U.S. Air Force Veterinary Corps where he received the Commendation Medal.

He is the founder of four veterinary hospitals and clinics, including Eldridge Animal Hospital, Pets First Veterinary Center, Access Veterinary Care and House Calls for Pets in San Antonio, Texas, where he has practiced veterinary medicine for over 40 years.

Dr. Eldridge is a former Field Veterinarian for Veterinary Pet Insurance Company and spoke to 15 colleges of veterinary medicine and numerous veterinary medical associations throughout the country.

Dr. Eldridge is the inventor of the Eldridge Anesthesia Mask used worldwide by veterinarians to more safely and efficiently administer anesthesia to pets during surgery. He also invented the Eldridge Laboratory Loop, a laboratory collection device for dogs and cats.

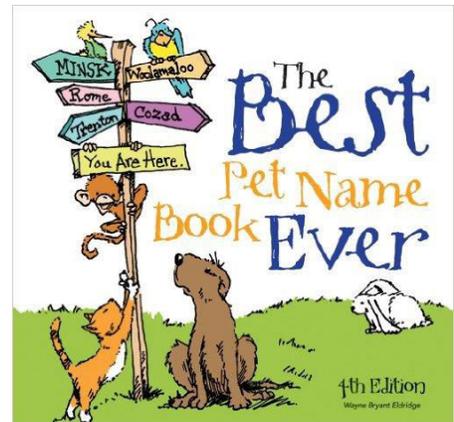

Dr. Eldridge is the author of The Best Pet Name Book Ever (published by Barron's Educational Series), which is in its 4<sup>th</sup> Edition.

His son and daughter are both graduates of Texas A&M. Lori is a middle school teacher in Taylor, TX, and Bryant is an event manager at the Renaissance Hotel in Austin, TX.

### ***The Best Pet Name Book Ever***

Author: Wayne Bryant Eldridge

*Pet Dealer* magazine called the previous edition "... a lively and humorous book packed with helpful suggestions...." New and prospective pet owners will find more than 3,000 ideas for naming dogs, cats, goldfish, hamsters, and pets of every imaginable kind. The pet names in this edition have been updated to include suggestions from recent movies and TV shows as well as sports celebrities and other public figures. This bonanza of pet name ideas is categorized to reflect a pet's appearance and personality, literary characters, terms of endearment, historical figures, names of places, and much more. Humorous line illustrations add to the pet-naming fun.
